Spring Term Newsletter No.9**Friday 13th March 2020****Messages from Mrs Eveleigh...**

Dear Parents/Carers,

It was lovely to see our Open the Book Team in both schools again this week for Collective Worship. The children really enjoy their story telling and I would like to say a big thank you to the team.

Our Yr5/6 Come and Sing rehearsal at Wellington School went well. The children really need to finalise the last of the words in time for the concert on 27th March, so please can you help them. There has been a letter sent out this week with final details, please return the consent form by Tuesday latest so that we may confirm numbers.

It was Webber's final Gymnastics Session at Blundell's this week and I know they have developed their skills tremendously during their sessions. Burlescombe Acorns Class children will start their sessions on Wednesday, 25th March.

A final call for the Collective Worship Evaluations please, as your views are very important to us.

There is a Full Board of Governors meeting on Monday starting at 5:30pm at Webber's. This is an Open Meeting in which you are welcome to attend to see the Governors in action.

Next week is Assessment Week and as usual we just ask children to try their best. Year 3/4 have an exciting morning at Uffculme School where they will be participating in a friendly Tag Rugby Festival. This is aimed at helping children to develop their understanding of the game and increase their skill levels.

Our SPORT RELIEF challenges are on WEDNESDAY afternoon at both schools. Please remember you can wear your Sport Relief Kit all day. Good luck to everyone! 😊

It is Mothering Sunday at the end of next week and we have been invited to sing at the Holcombe Rogus service. A letter has been sent home today with regard to this and has details of Burlescombe's service as well.

Congratulations to the newly elected school council at Burlescombe:

Yr 6 Imogen, Jasmine	Yr 3 Miriam
Yr 5 Asher	Yr 2 Maddie
Yr 4 Harry	R/Yr1 Lilah- Mai

Health and Wellbeing Update

As part of our action planning, this week we have continued to support children's understanding of how germs and bugs are spread using nationally recognized websites and videos.

We have also had discussions to help reduce the anxiety that some children may be feeling about Coronavirus.

We continue to receive daily updates from the Local Authority to ensure we are fully up to date with the latest information from Public Health England and are currently following Government and Local Authority advice.

I can appreciate that some parents have serious concerns about potential school closures. In the event that this should happen, staff have been preparing some electronic work that can be completed and checked online. Should we need to close, you will receive a special letter detailing how and when to access this work and where to find information to support your child's learning. **Please ensure we have your current email contact details as this, and the website, will provide an essential communication link.**

Once again, please let us know if you have been in contact with anyone who has a confirmed case of Coronavirus to help us ensure we can consult Public Health England and take appropriate action within the right timeframe. We know we have chicken pox circulating within The Partnership and you will have had a letter with regard to this.

Many thanks with your support in this - our priority is your children.

Kindest regards,

Deborah Eveleigh
 Executive Head Teacher

Other School News...**CORONAVIRUS**

Covid 19 - Devon Public Health have put together a website aimed at residents, which brings together all the relevant public links for information about Coronavirus.

The link is on the front page of the DCC website and here for your information:

<https://www.devon.gov.uk/document/coronavirus-advice-in-devon/>

Please consult this if you need to know more about local and national changes.

WEBBER'S PTFA NEWS
