[PLEASE READ CAREFULLY -return forms must be signed agreeing to these conditions](#)

*I have discussed the clubs list with my child and they understand what the club is about and the commitment needed for this term as others may be waiting for a place. I agree that I will ensure my child will have the necessary kit for the club and that I will collect them promptly from the clubs. If my child is ill or unable to participate I will inform the appropriate staff member and **RETURN FORMS** as soon as possible, especially if there are matches to be played to enable reserves to be played. I understand that places may be limited. I have discussed with my child that high behaviour standards are expected to be maintained in **ALL** clubs. Should this not be the case then your child may be asked to leave the club. Outside providers are responsible for your child when they are in their clubs.*
