Thursday, 07 January 2021

Dear Children,

Happy New Year!

I hope you had a great Christmas holiday and that Father Christmas brought you some lovely presents.

I am sorry that we are in a Lockdown situation once more, but I hope that we can get back to some normality soon.

Whilst some of your friends will not be coming into school at this time, these children will be working from home - on the same learning as you.

Your teachers are setting home learning, which will be available on the school website for you to see under the "Children" section - Home Learning. Teachers will be checking the online activities like TT Rockstars and Spelling Frame to ensure you are all engaged with your learning - those at home and in school.

For some of your learning, you will need to follow website links from your weekly timetable. This will often lead you to a video that you will need to watch really carefully. There is sometimes an activity to complete; this could be something to make, write or draw.

You have your pens and pencils for your writing and drawing, a lined book for your writing and a squared book for your maths. We have sent these home for your friends to record in too. Remember to use one digit per square.

We have also sent "help" sheets to the other children just like you have in your packs; these include number squares and times table squares. When you are doing your work, remember to use your full stops, capital letters and all of the lovely punctuation, spelling and grammar you have learnt already. You know we also want you to use exciting words (vocabulary) too! Please remember to keep your work neat and do your best in school.

For the children at home, every Friday, parents have to return a work log to school; just like the teachers in school monitor your learning.

We are going to try a live on-line session with your teacher and your classmates at home, but we have to do a bit of practising with the computers first!

I will continue to write the weekly newsletter, which will be emailed to parents as usual, and will be available on the school website. We are going to start a Children's Section, so please make sure your teachers let me have some of your interesting facts, a quiz to put in or maybe an occasional joke!

In last year's Lockdown, we gave you all a skipping rope to help you with daily exercise. This time, we are giving a foam ball to you all, so I hope you have fun throwing, catching and playing with it.

For Year 6 children, we are also sending home, and giving to Year 6 children in school, the CGP grammar and maths revision guides. Please do use them as they are an excellent guide to age-appropriate expectations.

You may find you have slightly different teaching assistants in your classroom for this Lockdown. Make sure you help them to get used to your routines please and make them feel welcome.

You worked really hard last term and we want you to carry on improving, so please try your best every day to do your schoolwork.

Sending my best wishes to you all.

Kindest regards,

Mrs Eveleigh  
Executive Head Teacher
