Mrs Atkins would like to share the following wonderful news...

Freya Elodie Atkins arrived safely on Thursday evening, weighing 5lb 12oz. She was earlier than expected but she's doing really well and we're all back at home with her big sisters now.

Liberty spent the other weekend battling 6 rounds over 2 days for her place on the podium. She came 3rd overall in the Revvi cup showdown.

Well done Liberty! We are so proud of you! What an inspiring skill builder you are, showing amazing aspiration and determination!

If your child achieves anything amazing out of school please let us know as we would love to celebrate them!

Little Sips BIG ADVENTURES

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/register. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk
