

Great news! Our villages are going to have a new Rector before very long! She is Revd Rachel Dunn. Rachel is married to Andrew, a sound technician, and has two teenage sons. She used to live at Halberton, where her sons started school, and so is very familiar with our local area.

Rachel completed the first half of her training in the Pinhoe with Poltimore benefice where, as a Pioneer Curate, her main focus was on fostering relationships in the new housing developments. Rachel loves working with people of all ages and is passionate about music and singing. She has worked in schools for a long time and is looking forward to working with the many schools across the Sampford Peverell Team Mission Community.

We would just like to say a huge thank you for all your kind presents and cards we have received. We never expect them, but they are greatly appreciated.

The whole team across both schools would like to wish everyone a very Happy Christmas! (We look forward to seeing you all on Monday 6th January)

Webber's and Burlescombe websites are now LIVE! You can now view our school calendar of upcoming events, previous weeks newsletters and even download Medical forms and Absence Request forms!

On Wednesday morning the children from Webber's performed their nativity songs at the All Saints Community Cafe.

Thank you for welcoming us and for the delicious biscuits and drinks.
